

Friends of Three Creeks Community Library

A message from the Friends President

Friends of Three Creeks Community Library continue to receive wonderful community support with donations to our book box in the lobby of the library and through book sales. Proceeds from memberships and book sales have enabled us to provide many extras to our library including lots of additions to the collection, benches for the courtyard, an interactive early learning structure for the children's area, a new portable PA system and art work to enhance the library walls. We help with programming for all ages by renewing the library's movie viewing licence, paying for fun performers for summer readers and much more.

Memberships

Thank you to those who renew their memberships each year. We offer annual memberships that renew on July 1st and multiple year memberships. We have an up to date membership list at our book sales so cards are not required for admission to member pre-sales.

Join Today!

Monthly meetings are held in the library meeting room at 7:00 pm on the fourth Thursday of the month. Visit our website: www.friendsofthreecreekslibrary.org.

Book sales

We hold book sales in January, April, July, October and December. Most sales offer a members only "pre-sale" time slot from 8-10:00 am the morning of the book sale. This popular option provides savvy members the opportunity to take first pick. We don't offer a pre-sale for our December "Holiday" book sale.

Attend meetings

We welcome you to our monthly meetings. These are normally held the 4th Thursday of the month at 7:00 pm in the meeting room at the library. Check out our website at www.friendsofthreecreekslibrary.org for past minutes and more.

Thank you to all who support our wonderful library, we couldn't do it without you!
